WEEKLY REPUBLICAN—1897.  
DAILY PUBLIC LEDGER—1899.

MAYSVILLE, KY., TUESDAY, OCTOBER 11, 1904.

ONE COPY—ONE CENT.

**A HAS THE TIGHTWAD.**  
Twenty girls of Logansport, Ind., have sent out a protest against tightwad men who refuse to spend their money on the fair sex, and hint at a boycott on all such.

There is no show for the tightwad beau  
With the Indiana honey;  
If he wants to shine he must get in line  
And ladle out his money.  
For a love that's deep is never cheap,  
Says the Indiana beauty.  
And a first class plan for the hoosier man  
Is to let his purse do duty.  
He must not dream he can shun icecream  
And never spend a nickel,  
Else he will find that he is blind  
And in an awful pickle.  
For the girl he woos is not a goose,  
And she will not love a dandy  
Who hasn't the spirit to blow a plunk  
For a box of taffy candy.  
You stingy beau, shell out your dough  
For Maud and May and Lizzie  
For buggy rides and more besides.  
And let your pet get busy.  
It may surprise, but the girls are wise,  
And trouble now is brewing  
Unless you cough you will find right off  
Not a single thing is doing.

The Third Street Methodist Episcopal Church will tender a reception to their Pastor, Rev. M. A. Banker, tomorrow night. This ought to be an open deal and the outsider given a chance to extend a hand of cordial welcome to the popular young Minister who is a general favorite with both saint and sinner.

Eight hoboes got off a freight train in the West End yesterday. It was not long until Senteny got on their trail and run them out of town. That's right, boys; watch them and keep them on the move; we have enough of our own to take care of at Castle McVain this winter without any additions from the outside.

Among other things turned up by the officers in their rounds yesterday was William McKee, colored, who was sporting a detective shield—the \$2 kind that are turned out by some fraud Chicago concern. He was informed that he had no right by law to arrest any one and if he attempted it he would get himself in serious trouble. He left for Huntington.

Yesterday morning while delivering a load of coke at the residence of Mr. P. J. Murphy in Fourth street, a cart belonging to Gable Bros. had both shafts broken. By far one of the best audiences of the season was at the Opera-house last night to see "Twelfth Night." The company putting on the play was an exceptionally capable one and gave a very clever interpretation to the Shakespearean production. All were delighted with the acting, each character being in the hands of one who thoroughly understood his part.

There is a vote of thanks due the owner of the property for having that deadfall of a pavement in front of Finerty's store fixed. Herebefore there was great danger of stumbling and falling and perhaps breaking your neck. The improvement has removed the danger and the pavement is now as it should have been when first put down.

Several days ago thieves stole a barrel of flour from the barn of Robert Broshears, who resides on his farm a short distance below the city. They rolled the barrel to the river bank, knocked the head out and carried the contents away in sacks. A skiff was used to transport the stolen stuff. The officers have been working on the case and they are pretty well satisfied who did the job, and arrests will be made a few days.

Captain David A. Murphy, who is superintending the construction of the Government Building in this city, has a number of elegant gifts presented him by the citizens of different places where he has been similarly engaged. The handsome watch he carries is the gift of the citizens and school children of Newport, while at Carrollton, from the same source, came a gold signet ring, richly studded with diamonds. A gold badge is the present from residents of Clarksville, Tenn. Captain Murphy takes especial pride in these gifts, each of which is of unusually handsome workmanship.

Yancey Early, the ten-year-old son of Mr. Charles Early, died of lockjaw yesterday at 12 o'clock at the family home at Lewisburg.

**A Judicious Inquiry.**  
A well known traveling man who visits the drug trade says he has often heard druggists inquire of customers who asked for a cough medicine whether it was wanted for a child or for an adult, and if for a child they almost invariably recommend Chamberlain's Cough Remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it and for coughs, colds and croup it is unsurpassed. For sale by all Druggists.

# FASHION'S HEADQUARTERS!

The young men and older of advanced taste want a long and generously loose Overcoat this fall. It can be worn with or without a belt. You will find nothing smarter this season. The fabrics we offer for your choice are plain, striped, plaid and mixed Cheviots, black and oxford Cheviots and Friezes; also the famous Cravenette rainproof fabrics in light and medium weights. All of these are Rochester-made goods. Our reason for quoting so often our Rochester-made goods is that we have handled clothing made in all the different markets in the country but never any that are as satisfactory to us as Rochester makes. If you want your boy to be well dressed, in clothes that will wear well, bring him here. We can fit him out from the best boys' apparel in the city at prices that are the lowest that can be asked for dependable clothing. Our Men's and Boys' Shoe trade is daily increasing, and why should it not? We sell the best that are made, and warrant every pair that we sell.

## A MIGHTY ARMY!

Of men, women and children will march forth the next few weeks, intent on supplying themselves with clothes for the Fall and Winter.

Many will buy rashly and foolishly—some tempted by absurdly low prices; others because they have given little thought beforehand to what they are about to do.

On the other hand, many hundreds of well posted buyers will come direct to Merz Bros'. Store to secure Fall and Winter Suits, Cloaks, Drygoods, Notions, etc., that are stylish, becoming, serviceable, **ECONOMICAL**.
